WHY A POSITION CAMP?

For over 15 years, Five-Star Basketball camp has been the innovator in the specialized teaching of both guard play and post play in their highly successful "position camps". This same program will now be offered at the Five-Star Junior Camp Program in Florida. Campers will be given the opportunity to develop their game with the same techniques and drills that have been successful in teaching some of the former Five-Star Campers that are playing at the college and professional level today.
